# Environmental Policy

## Environmental Policy

Max Healthcare Institute Limited is dedicated to upholding a robust standard of environmental stewardship. We are devoted to conducting our operations with a focus on environmental responsibility and sustainability, aiming to lessen and mitigate our impact on the ecosystem. As a responsible corporate, Max Healthcare Institute Limited is committed to continual improvement of our environmental practices and adoption of renewable sources.

### To achieve this, we are committed to:

1. Comply with all applicable legal and other requirements related to environment;
2. Progressively develop, implement, and maintain environmental management system in our operations and new projects including alignment of organizational procedures, set measurable goals where suitable, and regularly assess programs and processes to ensure ongoing adherence and enhancement.
3. We strive to improve our environmental performance by adopting innovative, resource-efficient and low-carbon technologies and solutions resulting in lower resource footprint, lesser material consumption and more positive impact on environment.
4. Strengthen environmental awareness among all stakeholders including employees, contractors, key business partners and communities to broaden our understanding of environmental priorities. It includes encouraging the stakeholders to work in an environmentally responsible manner through appropriate awareness programme.
5. We are committed to optimizing the use of natural resources to reduce pollution, minimize wastage and maximize reutilization minimization, and control the impact on the environment by adopting 3Rs (Reduce, Reuse and Recycle).
6. Take initiatives towards efficient use of natural resources and energy; reduction and prevention of pollution; Prevention of pollution and promoting waste avoidance.
7. Ensure environmental and sustainable growth as a goal within all areas of our business.
8. Monitor, measure, report the progress, performance of environmental conservation and management initiatives.
9. We pledge to maintain openness by providing public access to our Environmental Policy on the public platform. MHIL ensures clear communication of all essential and pertinent details with all relevant stakeholders concerning environmental policies and practices. We are committed to monitor, measure, report the progress, performance of environmental conservation and management initiatives.
