

BLK-Max Super Speciality Hospital Opens Large Covid Vaccination Centre

- *Set up in association with Radha Soami Satsang at their Pusa Road campus in record 48 hours*
- *The centre administered over 250 vaccines per hour at 20 sites*
- *BLK-Max aims to ramp this up to 10,000 vaccines per day in the coming days by increasing vaccination sites to 50*

Delhi/NCR, May 4, 2021: In a major development to scale up the ongoing vaccination drive, BLK-Max Super Speciality Hospital opened one of the largest vaccination facilities, in association with the Radha Soami Satsang, New Delhi. The facility, that commenced operations from Tuesday, has been set up in under 48 hours at the Pusa Road RSSB campus and will have the capacity to administer up to 10,000 vaccines per day, very soon.

Over 3,000 vaccines were administered by day end with the drive going on well into the night till almost 11.30 pm.

The facility is spread out in a large area and the patient flows have been organized in a manner that ensures full social distancing with covid norms being followed at all times.

Speaking on the occasion, Dr. Abhay Soi, Chairman & MD, Max Healthcare said, “I am happy to share that our team has been able to set up this facility in just about 48 hours with complete support from members of RSSB, Pusa Road. Max Healthcare has been focused on testing, treatment and vaccination, in our fight against the disease. We have so far tested over 1.3L patients, treated over 30000 patients as in-patients in our hospitals and have so far vaccinated over 1.4L individuals. We will scale up vaccinations in the coming days and try and reach out to as many people as possible. We also acknowledge and thank RSSB for allowing us to use their facilities for setting up this vaccination centre’

To avail of the facility, all those above the age of 18 years will need to book an appointment for the vaccination by pre-registering on the CoWIN app (www.cowin.gov.in) and then visit the vaccination centre at the appointed time. Doctors will also be available for an, if required. Onsite registration or walk-in facility will not be available.

BLK-Max Hospital had also made headlines by becoming amongst the first centers to begin with a 24X7 vaccination drive in Delhi-NCR earlier this year.
