

Max Hospital, Gurgaon today launched the next phase of the World's Largest Vaccination Drive, now open for people above the age group of 18 years.

The drive was inaugurated by **Mr, Yash Garg, Deputy Commissioner of Gurugram and Dr Virender Yadav, CMO, Gurugram** and saw people from all walks of life enthusiastically come in to receive their first Covid-19 vaccine.

Arpita Mukherjee, VP Operations and Head, Max Super Speciality Hospital, Gurgaon said - "By 6 pm, the hospital had already administered the jab to **500** people from across Gurgaon and nearby areas".

About Max Healthcare:

Max Healthcare is the Country's leading comprehensive provider of standardized, seamless and international-class healthcare services. It is committed to the highest standards of medical and service excellence, patient care, scientific and medical education.

MHIL has a network of 12 hospitals and 4 medical facilities in North and West India, offering services in over 30 medical disciplines. Of the total network, 8 hospitals and 4 medical centres are located in Delhi &NCR and the others are located in the cities of Mumbai, Mohali, Bathinda and Dehradun. The Max network includes state-of-the-art tertiary care hospitals at Saket, Patparganj, Rajendra Place, Vaishali and Shalimar Bagh in Delhi and Mumbai, Mohali, Bathinda and Dehradun, secondary care hospital in Gurgaon and Day Care Centres at Noida, Lajpat Nagar and Panchsheel Park in NCR Delhi. The Super Speciality Hospitals in Mohali and Bathinda are under Public Private Partnership arrangement with the Government of Punjab.

In addition to the core hospital business, Max Healthcare also has two SBUs, namely, Max@Home and MaxLab. Max@Home is a platform that provides health and wellness services at home and MaxLab offers diagnostic services to patients outside its network.
