

## Dr Himanshu Gupta

Senior Consultant – Plastic & Onco Reconstructive Surgery  
BLK-Max Cancer Centre

Dr Himanshu Gupta is a highly skilled plastic and reconstructive surgeon with advanced expertise in cancer-related reconstruction. Driven by a patient-centred approach, Dr. Himanshu integrates innovation, precision, and empathy to deliver personalised treatment and care. His focus areas include breast reconstruction, head and neck restoration, and post-oncologic bone and soft tissue reconstruction.

In addition to his clinical work, Dr Himanshu actively contributes to surgical education and clinical innovation, with a focus on improving patient outcomes.
